

Project: Multi-Vendor Water Bottle Delivery Android App with Admin Panel

Dear Vishnu Ji,

Thank you for sharing your requirements.

We are pleased to provide the quotation for the development of a **Multi-Vendor Water Bottle Delivery Android Application** with Admin Panel.

Project Scope

Customer Android Application Features

- User Registration & Login
- Browse Water Bottle Products
- View Multiple Vendors & Details
- Product Listing with Price & Quantity
- Add to Cart & Place Order
- Live Order Tracking via Map
- WhatsApp Order Notifications
- Order History
- Delivery Status Updates
- Basic Profile Management

Vendor Features

- Vendor Product Management
- Order Receive & Update Status
- Vendor Dashboard
- Earnings & Order Details

Admin Panel Features

- Admin Login Dashboard
- Manage Vendors
- Manage Products
- Manage Orders
- Order Tracking Management
- Vendor-wise Order Reports
- Sales & Analytics Overview
- User Management
- Notification Management

Technology Stack

- Android App: Flutter / Native Android
- Backend API: Laravel / PHP
- Database: MySQL
- Admin Panel: Web-based Admin Dashboard
- Map Integration: Google Maps API
- WhatsApp Notification Integration

Estimated Cost & Timeline

- Development Time: **Approx 90 Working Days**
- **Total Project Cost: ₹2,20,000 INR**

Additional Notes

- Testing & Bug Fixing included.
- 3 Months free technical support after delivery.
- Server, domain, Play Store account, and third-party charges (if any) will be provided by the client.
- Any additional features outside the mentioned scope will be charged separately.

Payment Terms

- 50% Advance Payment
- 30% After Development Completion
- 20% Before Final Delivery

Thank you for the opportunity to work with you.
We look forward to building this project successfully.

Regards,
